Honorable Director of Patents and Trademarks

Alexandria VA 22313-1450

Dear Sir:

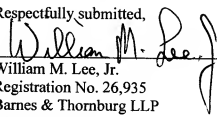

In response to the Restriction Requirement dated August 8, 2006, the Applicants elect, with traverse, Group I, comprising claims 1 through 11.

The reason for the traverse is that it is submitted that claim 22 also belongs to Group I. Claim 22 also relates to the display system, and therefore should remain with Group I, rather than Group III, as proposed by the Examiner. As the Examiner will note when reviewing claim 22, again, claim 22 is dependent upon claim 1.

It is therefore submitted that this application should proceed with examination of Group I and Claim 22 as being part of that group, and further action by the action by the Examiner is therefore awaited.

Date: September 6, 2006

Respectfully submitted,
